

## **2024 Cymru Wales Awards**

# **SME Award for Technical Excellence 2024**

---

The SME Award for Technical Excellence provides an opportunity for Small and Medium sized Enterprises to demonstrate their expertise and technical standing in the field of Highways and Transportation. The topic is and the submissions may be broad, but the submission should include information about how the SME has achieved technical excellence, whether in health and safety, design, inclusivity, preparation, planning and or design and construction. We recognise that SMEs may not always be recognised for their valuable contribution to our industry. SMEs are encouraged to explain their objectives, approach, strategy, implementation, and the results that were obtained. Also, to explain how these align with the CIHT's high-level strategy and objectives taking account of time, cost, quality, carbon net zero, the environment, ecology, and social value. SMEs should be 50 employees or less.
