

Awards

Infrastructure Project of the Year Award 2023

This Award is aimed at projects which are outstanding examples of transportation projects that demonstrate a contribution to the mobility of the community in Cymru Wales region greater than £250k construction value or have a significant research/policy impact or a study that influences the transportation discipline at a strategic level to deliver the values discussed in the guidelines introduction document.

Entries must clearly explain how the submission meets the criteria specified.

a) Description: How does this entry meet the award description?

(Max 250 Words) (10 Points)

A summary explaining why this project/product/strategy/initiative meets the description for this award.

b) Solution: Why and how was this solution identified?

(Max 300 Words) (20 Points)

Please explain why and how this solution was identified.

The judges will reward applications that can demonstrate:

- A clear definition of the outcome you were trying to achieve and why
- A logical explanation of why this option was chosen
- Evidence that you ensured that all the relevant stakeholders have bought into this solution

c) Delivery: How has this work been delivered?

(Max 250 Words) (15 Points)

Please describe the planning, design and delivery process you have used to execute this work. The judges are particularly interested in how challenges and opportunities have been identified and addressed.

d) Results: What have been the results?

(Max 250 Words) (15 Points)

Please describe the results of your work.

The judges will reward applications that can demonstrate:

- If and how you have delivered the outcome you were trying to achieve
- How you have performed against time, cost, quality, carbon emission, social value, and any other metrics relevant that were set for this work

e) Alignment: to CIHT Strategy

(Max 200 Words) (10 Points)

Judges will award additional marks to applications that can demonstrate a contribution to CIHT's strategic objectives:

- Carbon Action: Measurable reductions or elimination of greenhouse gas emissions
- Equality, Diversity & Inclusion: Clear demonstration of well-considered EDI practices in either the project or organisation
- Professionalism: Clear contribution to increasing professionalism in the transport sector

How to enter

To enter this award please complete an [Entry Form](#) and provide submission, project photographs and any supporting documents on your entered project, and return it to regions@ciht.org.uk.

Please ensure that you have read the [Important Submission Information](#) before submitting your entry. **The deadline for entries is 1700hrs on Friday 22nd September 2023.** Shortlisted entries will be notified in October.
