**Past Challenges and Future Opportunities in
Mobility in Hong Kong and the Middle East**

Date / Time: 13 December 2024 / 18:00 – 19:00 UAE
Venue: University of Wollongong - Dubai Knowledge Park

ABOUT THE EVENT

We are pleased to invite you to our next exciting seminar titled “Past Challenges and Future Opportunities in Mobility in Hong Kong and the Middle East,” hosted at the University of Wollongong in Dubai. This event marks a special occasion as CIHT Hong Kong and CIHT Dubai come together to celebrate their 40th anniversaries since their establishment.

The seminar will focus on key mobility challenges that Hong Kong and the Middle East have faced in recent years and will delve into the opportunities that lie ahead in terms of infrastructure development and technological advancements. Both regions have undergone rapid urbanization and growth, presenting unique challenges in terms of transportation systems, traffic congestion, and infrastructure planning. These issues, however, have also spurred innovation and opened doors for new solutions to emerge

SPEAKERS

Raymond Pau, Chair of CIHT Hong Kong and Executive Director, AECOM Asia Company Ltd., has 20 years of post-chartered experience in project management, design and construction of major infrastructure projects, focusing on developing sustainable transport solutions in Hong Kong.

Martin Tillman, Chair of CIHT Dubai, has over 20 years of experience in transport planning. Leading multiple projects in the Middle East and Africa. An expert in mobility strategies and transit forecasting, he advises global organisations promoting best practices in sustainable urban development and transportation innovation.
